**LETTER**

May 23, 2003

Hon. Commissioner of  
Patents and Trademarks  
Washington, D.C. 20231

Sir:

In the Office Action the Examiner indicated that the application contained claims directed to the patentably distinct species of the claimed invention, namely Figure 1 and Figure 2, and indicated that the application had to be restricted to a single disclosed species.

With the present communication applicant wishes to make the following remarks.
